

# INDIANA LIMESTONE keystones, quoins, sills, treads, pavers & coping

**4-cut Finish**  
A linear, geometric finish by machine. A 6-cut finish is also available.

**Abrasive Finish**  
A flat, slightly textured surface finish for limestone.

**Broached Finish**  
Machine plucked, rough texture, ribbed finish.

**Bush-hammered Finish**  
A flat, semi-rough textured surface finish for limestone.

**Rock Faced**  
Rough finish achieved through hand dressing of the stone.
